- Configure your SkyBell.

App Installation and Sign-up (Android)

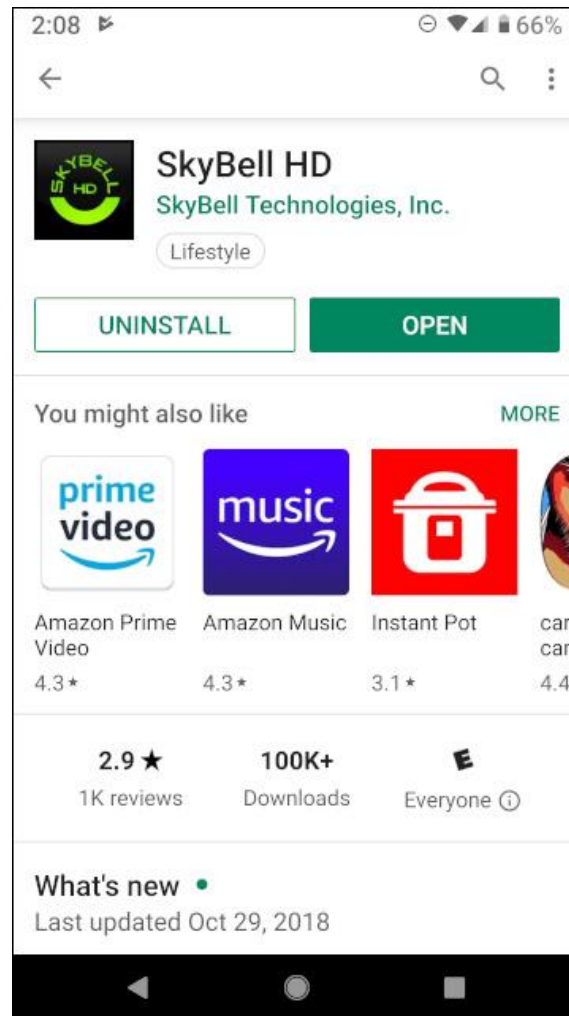

Step 1

- From your Android device, click the **Google Play Store** button above, or search for **SkyBell HD** manually from **Google Play Store**.
- Tap the **INSTALL** button to download the SkyBell app.

Step 2

- Tap the **OPEN** button to open the SkyBell app.

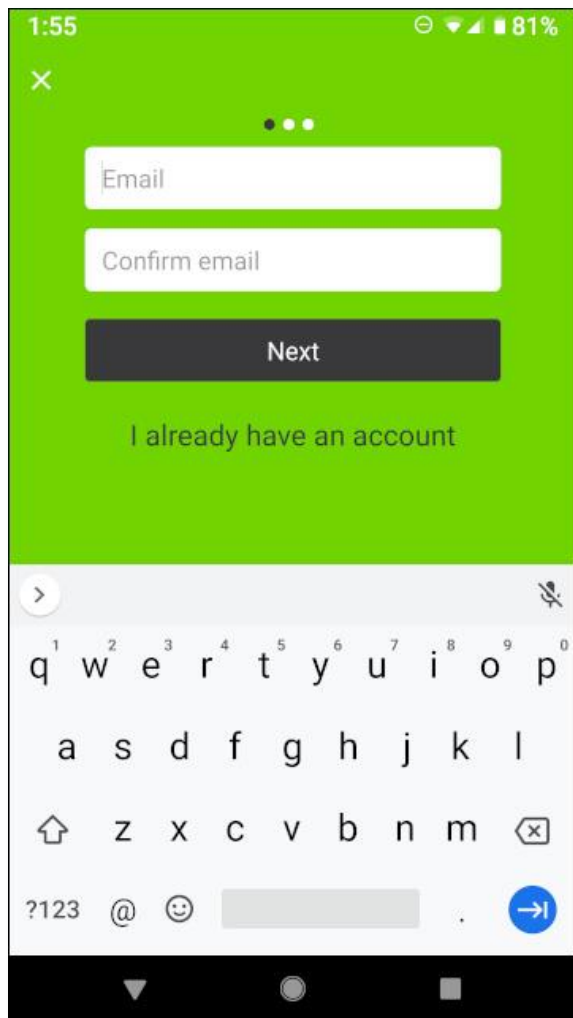

Step 3

- Tap the **Sign up** button to create your SkyBell account.

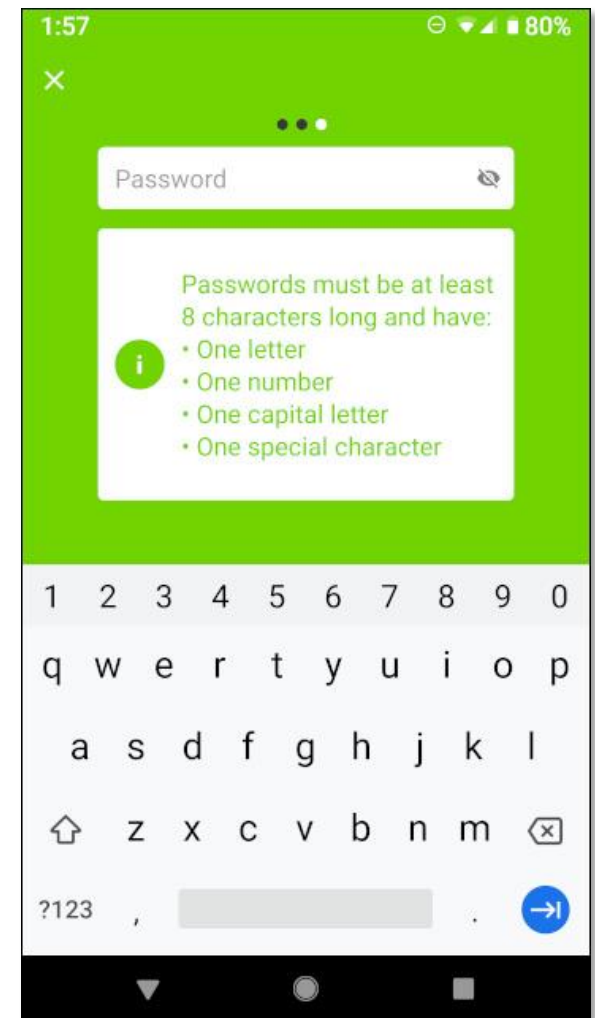

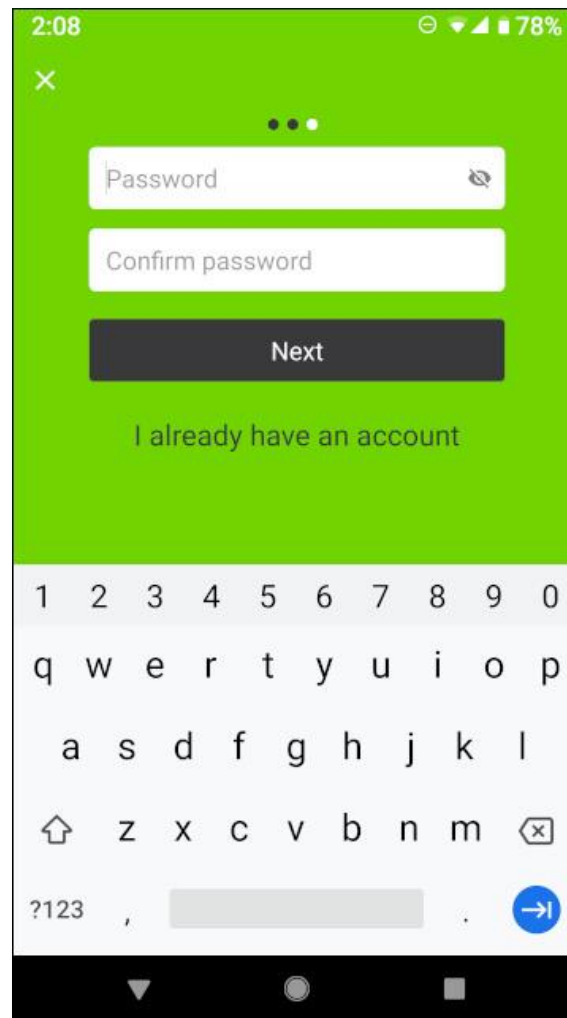

Step 4

- Register your SkyBell account by entering your **email address**.
- **Confirm your email address** on the next line.
- Tap the **Next** button.

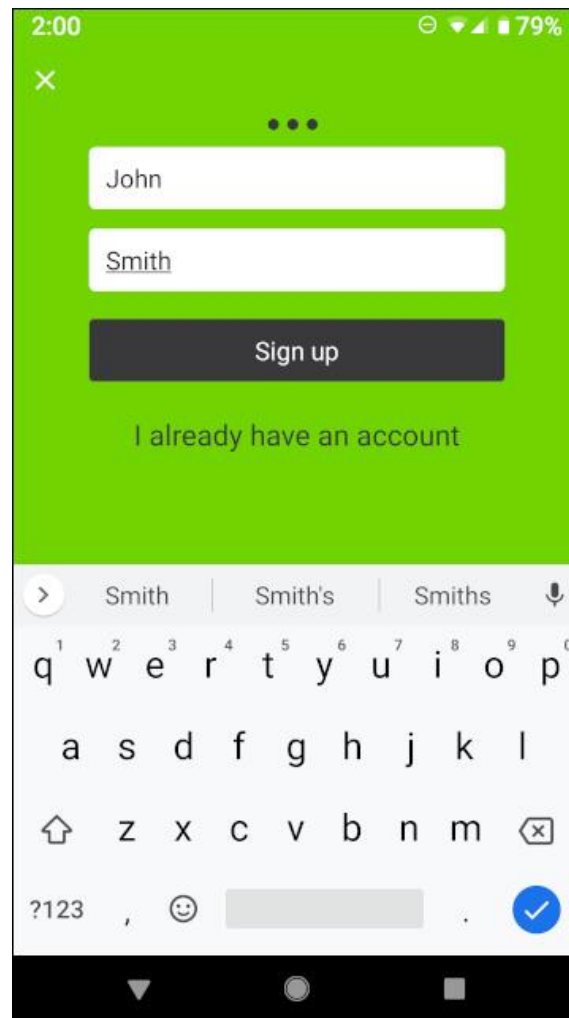

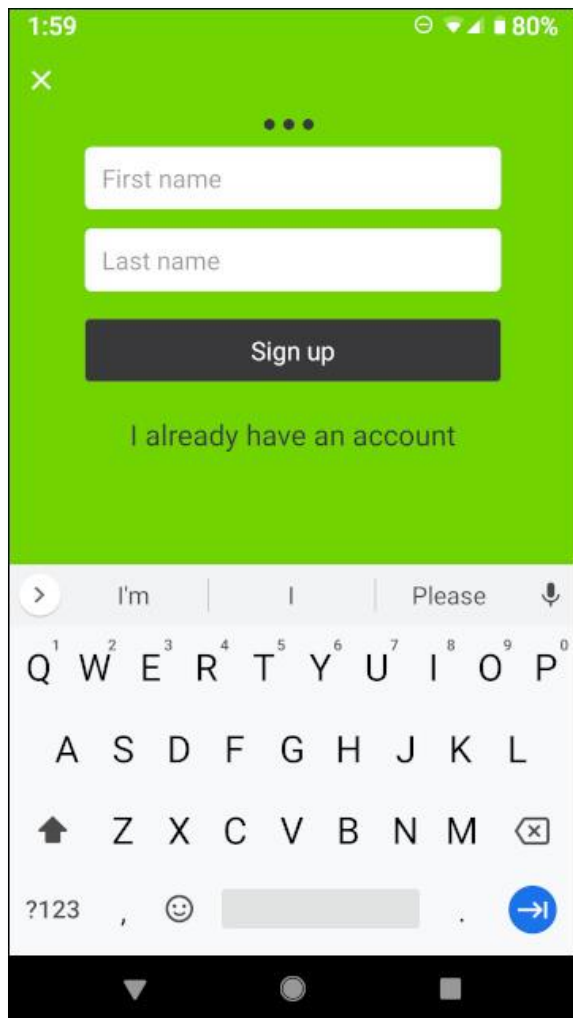

Step 5

- Enter a **password** to secure your SkyBell account. Your password must be at least 8 characters long and contain:
 - At least one letter.
 - At least one number.
 - At least one uppercase letter.
 - At least one special character.
- **Confirm your password** on the next line.
- Tap the **Next** button.

Step 6

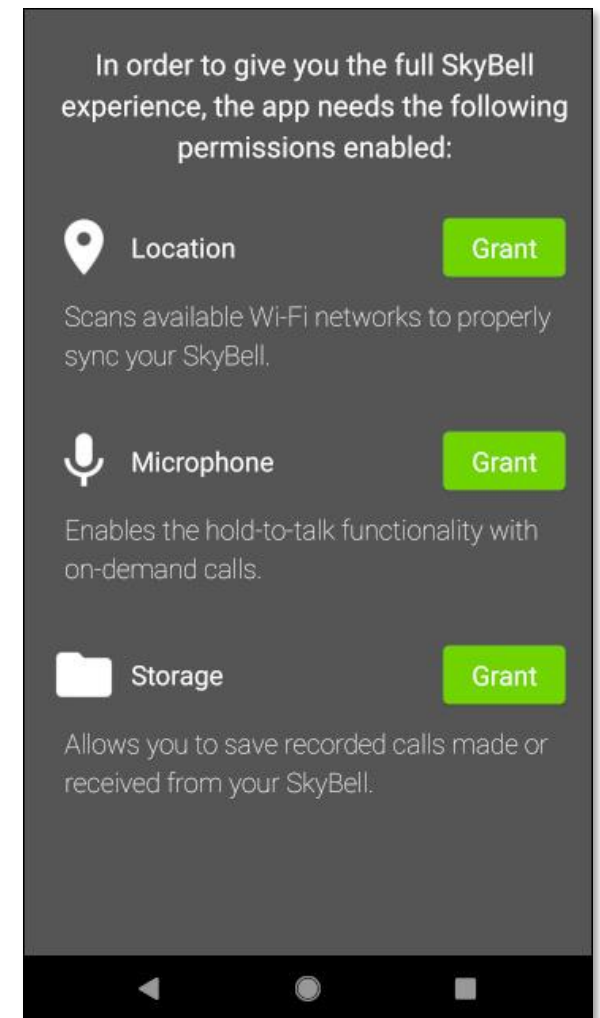

- Enter your **First** and **Last Name**.
- Tap the **Sign up** button.

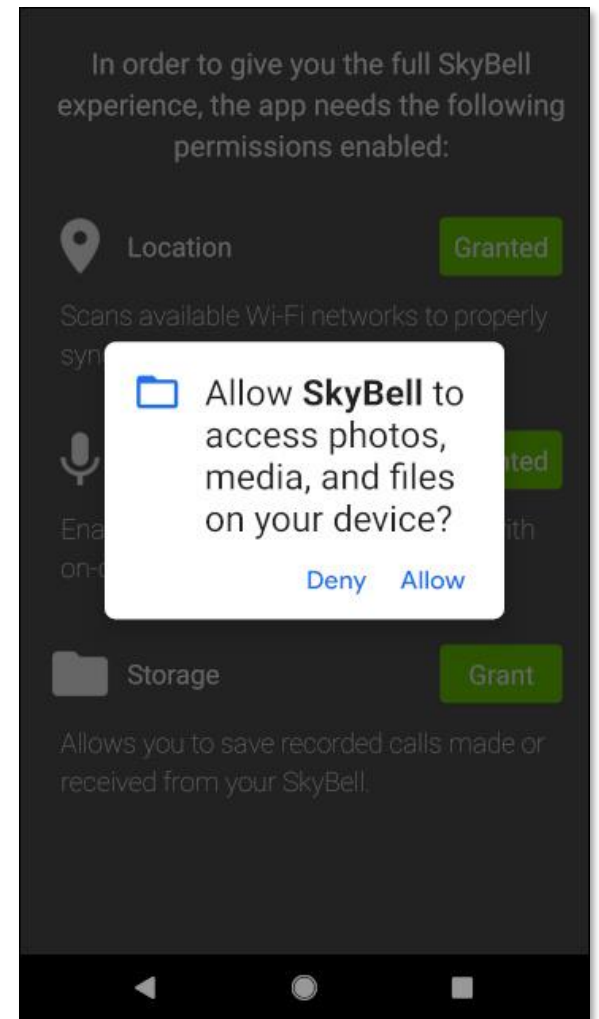

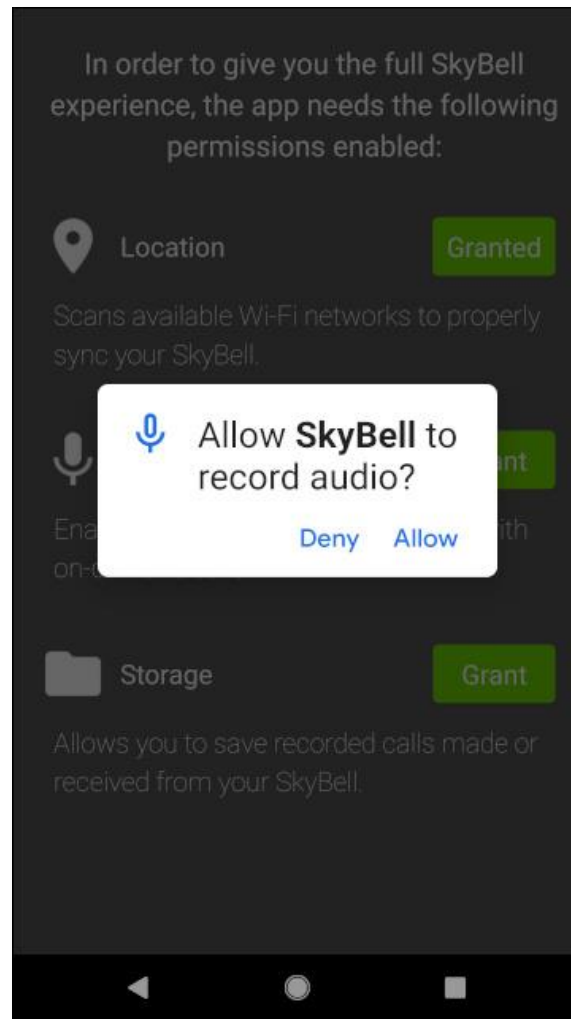

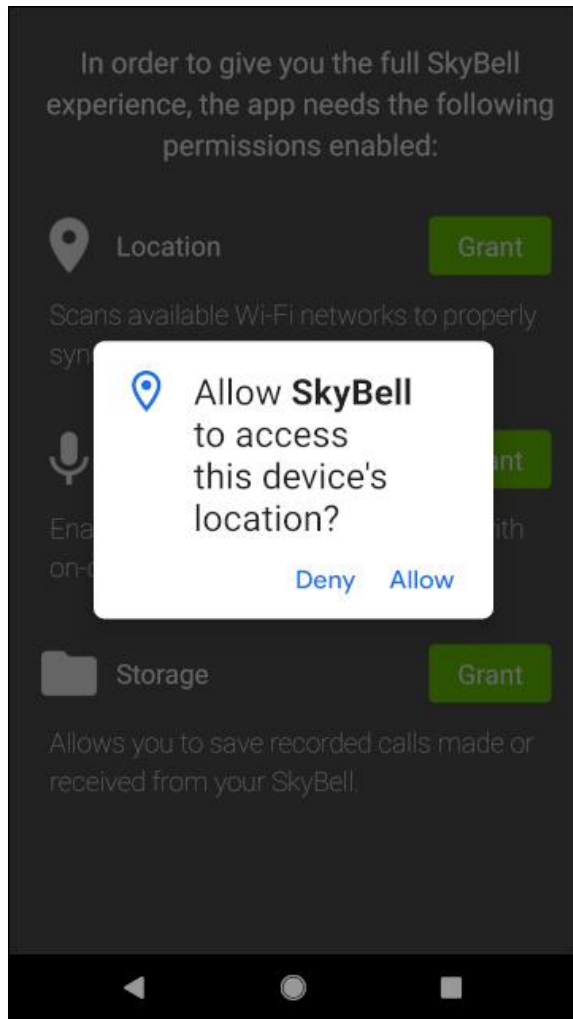

Step 7

The SkyBell app requires access to the following smart device functions:

- **Location** - required to sync your SkyBell with the system servers.
 - **Microphone** - allows your visitors to hear you when you answer the door.
 - **Storage** - required to download recorded doorbell activity.
- Grant permission by tapping the three (3) **Grant** buttons followed by the **Allow** buttons at the subsequent system prompts.

Congratulations!

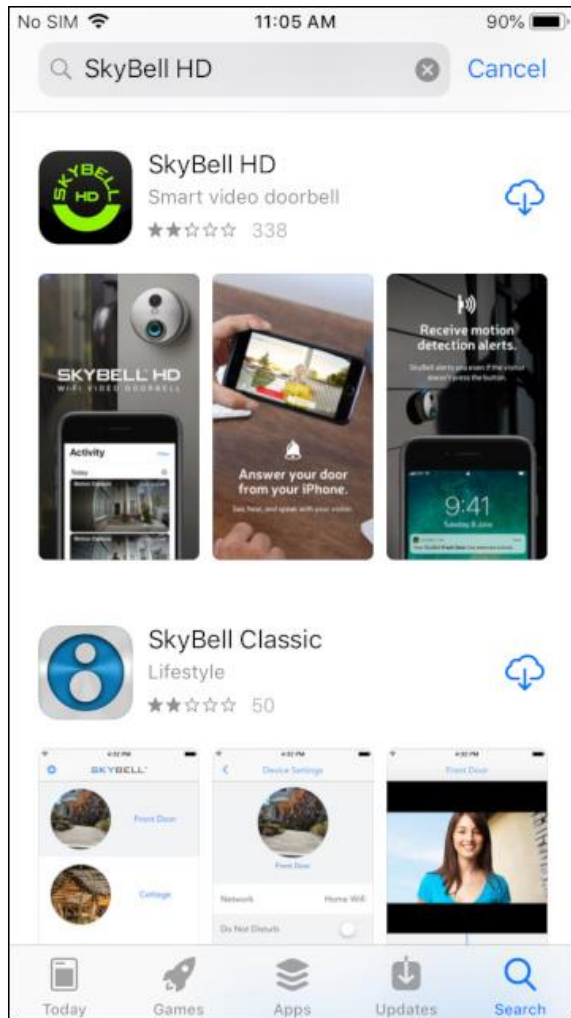

You have successfully completed the installation of the SkyBell app.

Now, continue by Syncing your SkyBell device.

App Installation and Sign-up (iOS)

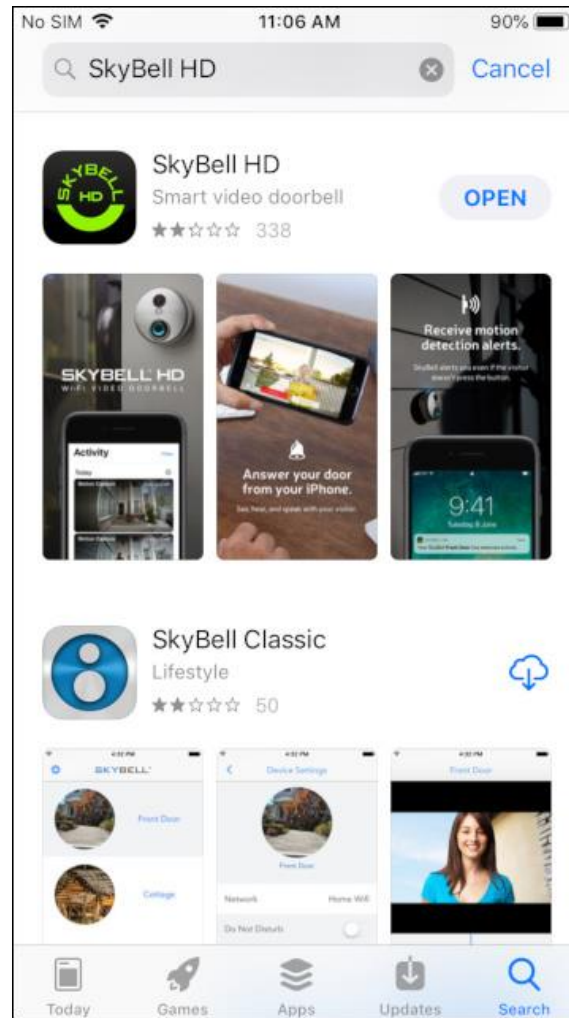

Step 1

- From your iOS device, click the **App Store** button above, or search for **SkyBell HD** manually from the **App Store**.
- Tap the **INSTALL** button to download the SkyBell app.

Step 2

- Tap the **OPEN** button to open the SkyBell app.

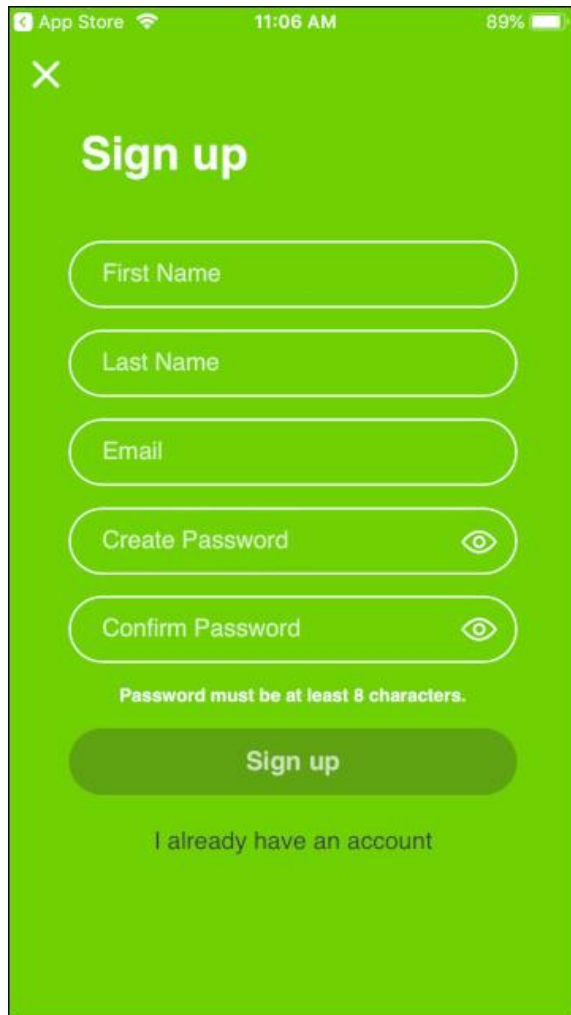

Step 3

- Tap the **Sign up** button to create your SkyBell account.

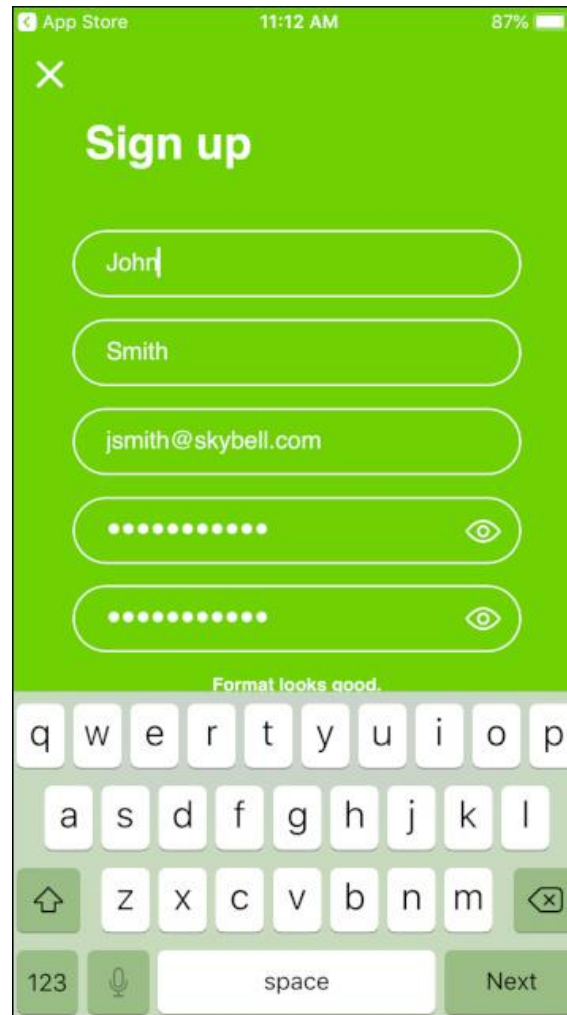

Step 4

- Register your SkyBell account by completing the information form:

 - **Email address.**
 - **Password** to secure your SkyBell account. The password must be at least 8 characters.
 - **Confirm your password** on the next line.

A screenshot of the SkyBell mobile app's sign-up screen. The background is a solid blue color. At the top left is a white 'X' icon. The title 'Sign up' is centered at the top in white. Below the title are five rounded rectangular input fields: 'First Name', 'Last Name', 'Email', 'Create Password', and 'Confirm Password'. Each of the last three fields has a white eye icon on its right side. Below the 'Create Password' field, the text 'Password must be at least 8 characters.' is displayed in white. At the bottom of the form is a large, rounded rectangular button with the text 'Sign up' in white. Below the button is the text 'I already have an account' in white.

A screenshot of the SkyBell mobile app's sign-up screen, showing the form partially filled. The background is a solid blue color. At the top left is a white 'X' icon. The title 'Sign up' is centered at the top in white. Below the title are five rounded rectangular input fields: 'John', 'Smith', 'jsmith@skybell.com', a field with eight white dots, and another field with eight white dots. Each of the last three fields has a white eye icon on its right side. Below the second field, the text 'Format looks good.' is displayed in white. A white keyboard is visible at the bottom of the screen, with the 'Next' button highlighted in blue.

Step 5

- Tap the **Sign up** button.

A screenshot of the SkyBell mobile app's sign-up screen, showing the form fully filled. The background is a solid blue color. At the top left is a white 'X' icon. The title 'Sign up' is centered at the top in white. Below the title are five rounded rectangular input fields: 'John', 'Smith', 'jsmith@skybell.com', a field with eight white dots, and another field with eight white dots. Each of the last three fields has a white eye icon on its right side. Below the second field, the text 'Format looks good.' is displayed in white. At the bottom of the form is a large, rounded rectangular button with the text 'Sign up' in white, which is highlighted with a dark blue background. Below the button is the text 'I already have an account' in white.

Step 6

The SkyBell app requires access to provide notifications on your smart device.

- Grant permission by tapping the **Allow** button.
